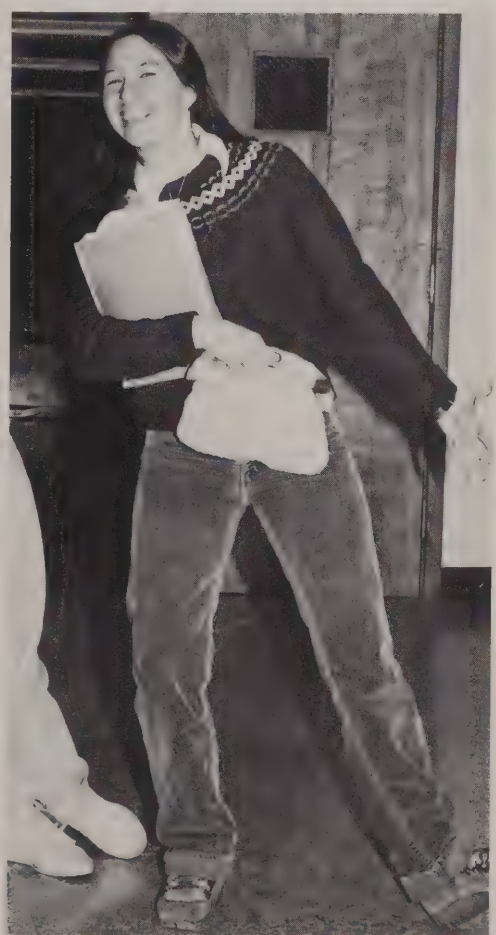
We see you Ann!!

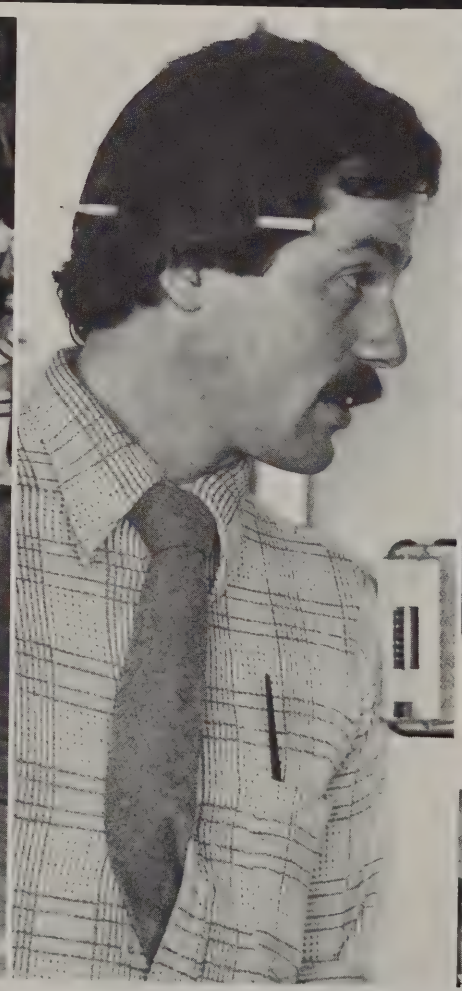
It's been a long time!



Everybody's a ham!

Who's behind Sharon?

FACULTY



Congratulations and our best wishes for a happy and successful future. Each of you have left something of yourselves behind at Dighton-Rehoboth that we will always remember. In turn, we hope that you will remember your school with fondness.

Memories are valuable treasures — but starting now you are free to begin using all of your creativity and imagination to build the future you want. So polish your armor and gallop into the sunset to search for your own Excalibur. May you all be greeted with luck and happiness in all that you do.

Mr. Sawyer, Principal

ADMINISTRATION

TO THE CLASS OF 1981

The 1981 Edition of the Aurora contains a few highlights of your senior year. However, when you look through the pages of your yearbook, you will recall many of the experiences you had with your classmates and your teachers over your twelve years of public schools. They are memories you will cherish as the years pass on. We are proud of our association with you and wish you every success and happiness in the future.

Dr. Harrington, Superintendent

Congratulations to the members of the Class of 1981 upon reaching one of the most cherished milestones in life. As the years pass by, I hope that each of you has left behind accomplishments and friendships that you can reflect on and be filled with pleasant memories.

George H. Petrin, Assistant Principal

"Every man who rises above the common level has received two educations; the first from his teachers; the second, more personal and important, from himself" (Edward Gibbon)
Congratulations and best wishes to the class of "81." It has been a pleasure to share the past four years with you. May the future hold success and happiness for each of you. Believe in yourself and your dreams can come true.

Francis Marcille, Assistant Principal
Director of Occupational Education

To the Seniors:

I wish you life.
I wish you love.
I wish you health.
I wish you wealth.
I wish you gold to stone.
I also wish you heaven above.
What could I wish you more?

Congratulations!

William F. Henry

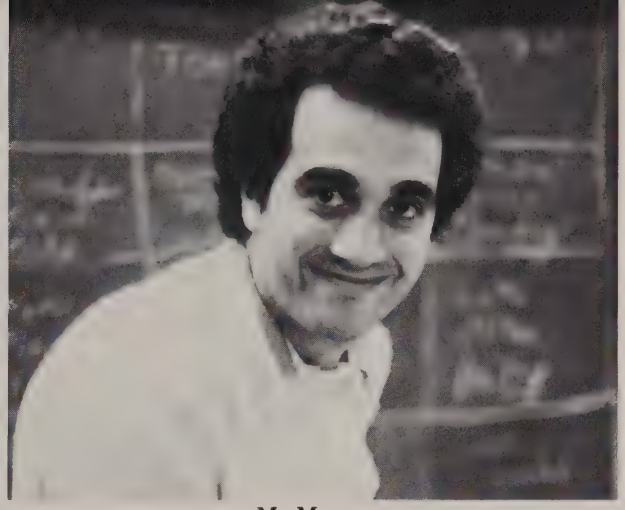
DISTRIBUTIVE EDUCATION

Crossroads



Mr. Murray

Distributive Education deals in areas such as; retailing, management, marketing, banking and real estate. This course is designed for both career and college bound students. The students are able to experience the management of an actual business in the school store, Crossroads.

This year the Distributive Education students participated in the Distributive Education Clubs of America activities. They took part in the North Atlantic Regional Conference held in Toronto, Canada. They also competed at the district level held in Hyannis, Massachusetts bringing home twenty-three awards. The state level was also held in Hyannis, Mass. and the winners of the state competition are eligible to go to Nationals which are held in Anaheim, California.

CLUBS

ART

The Art-History Club, now in its second year, began based on several major objectives. These guidelines have been expanded, and encompass 1) the club will be open to any D.R. student 2) the club involves a varied curriculum of art appreciation, expressionist dance, as well as the performing arts of music, ballet and theatre 3) the club is intended to expand the experiences of the member. A new addition is the ADT, a purely voluntary examination that encompasses a wide variety of art related information as well as fun activities.

The club encourages its members to design and create advertisements, playbills, and props for various school related activities. The club has made several trips to various cultural events, including The Nut Cracker Suite, a Portuguese print show, as well as the R.I.S.D. Museum. Future plans include a wider variety of activities, perhaps even a weekend in New York. Interested students are always welcome.

TRI COUNTY

This year the chorus participated in several outside activities. For the first time, D-R singers participated in the Tri-County Choral Festival. This festival consisted of singers selected from various schools in the Southeastern Massachusetts Counties of Bristol, Norfolk and Plymouth. The "Sound Impressions" were one of the select ensembles performing in the concert. The sixteen D-R students who attended once again proved that our singers were among the best in the district.

PORTUGUESE

1981's Portuguese Club was one of the closest groups in the club's history. Even though only 15 in number, everyone enjoyed the numerous bake sales on Saturday mornings in front of Shaw's and at the football games. Another source of great enjoyment was the first annual Portuguese Club Christmas Caroling. Of course, no one will forget the yearly Portuguese M&M sale.

Although they did not make it to Portugal this year, they still experienced Portugal. During the spring the club enjoyed the food and music of the Lusitano Restaurant in Tiverton, R. I. A few members also planned to travel to New York during the spring vacation.

The Best of Luck to next year's club.

FRENCH

The 1980-81 French Club, advised by Mrs. Mahoney and Mrs. Marcoux had a very successful year. Highlights of the year were the annual Christmas Taffy Pull and a trip to "Un restaurant francais". "La cuisine" was excellent and the trip was thoroughly enjoyed by all.

HEALTH

This years Health Careers was headed by Mrs. Dwyer and elected officers Sharon Lamb — President, Kathy Machado — Vice-president, and Laura Whitman — Secretary. Several successful fund raisers and a few field trips were the activities of the club. The members of the club represent future participants in six different health related fields.

MEDIA CLUB

The purpose of the Media Club is to give interested students a chance to participate in the running of the library. Under the supervision of Mrs. Archard and Mrs. Berube, the students are responsible for such tasks as checking books in and out, finding reference material for other students, sorting daily mail, covering books, and running video equipment, which requires experience with the various machines used in the library.

In general, the members oversee the everyday chores so that Mrs. Archard and Mrs. Berube have more time for the more pressing demands. They have privileges such as freer access to the library; and by working in the library, learn what needs to be done to keep everything going smoothly. Because of their interest, the students who work in the library are trusted with audio-visual equipment, which is run mostly by Glen Hurrell and Dave Daggett because of their experience of four years. Other members are in charge of reading matter and regular work to be done. Media Club is beneficial to the students, as well as enjoyable for them and practical as far as running the library is concerned.

CYCLOPS

The Cyclops was very active this year, coming out of his cave on a fairly regular basis.

Although this will probably be remembered as the year of the spelling errors and word searches that never worked correctly, the Cyclops did establish a few improved traditions. Thanks to the new word processor, the task of keeping the paper alive was made much easier. Thanks to a staff of writers who could never meet a deadline, and a couple of editors who just could not get the paper out on time, the official Cyclops Motto this year is "Better late than never!"

NATIONAL HONOR SOCIETY

Contrary to popular belief, this year's N.H.S. members did quite a bit more than sit around and study all day. This year the total enrollment increased to a possible record of 25 seniors and 11 juniors. Besides the usual induction ceremonies, the N.H.S. members continued their service contribution. The continued to tutor other students and act as guides at Parents' Night and other occasions. They succeeded in raising the money needed for induction ceremonies by selling soda and candy at the basketball games and also by sending carnations on Valentines Day. In a year of many changes, after two advisors, Mrs. Lindblom volunteered her needed services as the new advisor. One final note should be made. This year's N.H.S members, probably more than any other in the past, exemplified "complete" students as they were involved in every possible activity and, in a way, destroyed the "pin head" attitude toward these members.

STUDENT GOVERNMENT

The Student Government faced many problems to be solved and jobs to be done during 1981. In the fall we witnessed the control of the smoking area finally given to Mr. Sawyer and a new anti-smoking program started. Also completed by the Student Government was one of the most successful Thanksgiving Basket Drives, raising $600.00 for the needy of Dighton and Rehoboth.

With the advent of winter came one of the greatest hurdles faced by the Student Government. Proposition 2½ meant a reorganization of D-R which required careful consideration of all concerned. Developed during this year was a new communications between the school committee and the Student Government.

The spring also proved very productive. The first event, the anti-smoking programs focused at the Junior High Schools accomplished a main objective of the Student Government. A very successful Ham and Bean Supper co-sponsored by the S.G. and the cafeteria staff, proved also to be a major event and fundraiser of 81. A total of $1,076.00 was raised for the Citizen Scholarship foundation.

The Student Government would like to extend a special thanks to Mr. Laffoley for his time and concern. We would also like to wish next year's Student Government much success.

BAND COUNCIL

Band Council members, John Shaw, Bob Amadon, Kevin Strange, Adam Latham, Kevin Spratt, Scott Wood, and Sherri Viara, meet twice per month with Mr. Otto to discuss items which concern the general welfare of the D-R Concert Band and the Falconeers Marching Ensemble. Their most recent project has been to work in cooperation with the Chorus Council in the organization and preparation of the 1981 Spring Cabaret.

CHORUS COUNCIL

This year's Chorus Council representatives include Anne Vandenbyvang, senior; Melissa Grant, junior; Ruth Cleveland, sophomore; and Bonilee Derlien, freshman. They, along with the Band Council, have helped to organize and promote the Spring Cabaret. Much of the success of this concert is due to their support and hard work.

DISTRICT

In October, Southeast District tryouts were held, and the following students participated in the concert held at Taunton High School: Dawn Potter, orchestra; Ken Rose, band; Kelly O'Connor, Charles Fornara, and Robert Nicholson, chorus. Dawn and Ken received All-State recommendations and were both accepted as a result of their auditions. The D-R Music Dept., was proud to have both of them represent us at the All-State Concert, held at the University of Massachusetts in Amherst.

PHOTOGRAPHY

The Photography Club offers an opportunity for students (experienced and inexperienced) to explore the visual possibilities of the black and white photograph. Given full instruction in the technical aspects of the camera and dark room developing, photographers are free to use the school's photo lab facilities to develop pictures of their own style and interest.

Bottom left: Rich McDonald, Mike Sullivan, Josh Derechin, Jim Darling, Kevin Creighton, Joe Ramello, John Fagundes, Mike Brassard, Dave Smith.

The Cross Country team accomplished one of the most difficult tasks to achieve — acquire an undefeated season. Placed in the S.M.C. Small School West division, the Falcons sparked a perfect 8-0 record and a sole championship for the second straight year. With an unbeatable coaching philosophy, Coach David Marsden once again was the backbone to the team's success. Co-captains Scott Eaton and Greg Harrison, as well as junior Garrett Sharpe, repeated as conference All-Stars. Highlights of the season included victories of Diman Voke and also the outstanding performance at the Conference Meet. Keys to the success of the team included the everlasting desire and effort and endless "team" support which persisted the entire year. A great amount of credit is deserved by this team as they brought a great amount of respect back to the school and also added to the definition of a student-athlete.

FIELD HOCKEY

Backed by first year coach, Miss White, the 1980 field hockey team had a fantastic season. Led by senior co-captain Sharon Lamb with 20 goals, and junior Wendy Fletcher with 8, the offense's speed and ability outmatched the opponents. A defense led by Cathy Sherman and senior co-captain Libby Pomfret strongly supported the offensive line and maintained the team's stability. Together the team earned a share of the division championship and a place in the State Tournament. Unfortunately, a stronger Plymouth-Carver handed them a 4-0 defeat. In league play, the girls finished 10-1-2 overall. Congratulations to Cathy Sherman, Libby Pomfret, Sharon Lamb, and Wendy Fletcher on their selection to the division All-Star Team. Sharon Lamb also received special honors of being named to the Boston Globe's All-Star Team. Congratulations to all and good-bye to seniors Anne, Kathy, Libby, Chops, Cathy, Cheryl, and Lissa. It was a super season.

Left bottom: Pauline Fraga, Carol Keane, Debbie Martin.

The D-R Volleyball team had a great year in 1980. They ended with the best record since they began. Excellent coaching by Mr. Lynn Finley guided the girls to a spot in the state tournament. The team was also helped by co-captains Korinne Hess and Liz Pereira. Their spiking ability and the superb setting ability of senior Carol Withers made for an exact and powerful front line. The other varsity members Karin Jecoy, Cindy Masciarelli, Holly Inman, and Sue Spring, added depth and precision that made the team what it was. The Junior Varsity also had a great season. The players showed much promise for future years.

The 1980 D-R football team was one of the School's best in recent history. They finished in the S.E. Mass Conference with a record of 5 wins and 3 losses. The senior backfield of Co-Captain Jay Dennis, Stan Koss, Davis Cummings, and Arnie Peck led the offensive attack which featured a potent running game. Koss, a three year All-Star runningback, gave the Falcons the dangerous breakaway threat which made them a team to be reckoned with. Co-captain Peter Andrade anchored the offensive line while, on defense, seniors Daryl Johnson, Mike Radevicz, John Velila and Doug Mosher "ate up" opposing quarterbacks. Foreign exchange student Ole-Bright Flesland did the kicking chores, proving himself to be the best booter in the area. The Falcons were an exciting team to watch and never let their fans down. Two big victories capped off the football season. The Falcons defeated Fairhaven for the first time in D-R history and they demolished arch rival Seekonk on Thanksgiving Day.

The Girl's Basketball team had a good year. Despite their near 500 record, the girls played well. They had many close losses to some very impressive opponents. However, they showed that they could play as a team. They were coached by Ms. Cindy White and her coaching certainly aided the girls improvement from last year. The leading players were co-captains Sharon Lamb and Liz Pereira, and senior Carol Withers. They set up an offensive trio that schools found unstoppable. Other Varsity members Rose Kishfy, Wendy Fletcher, Ellen Cummings, Donna Nyzio, Colleen Sullivan and Sharon Wheeler all united to make the team work as one. The Junior Varsity team had hard times this year. Under the coaching of Ms. Waletkus, they improved throughout. They worked hard and showed signs of future varsity stars.

BASKETBALL

At the end of the season, the slate read: 18 wins and 4 losses. The record is a definite indication of the combination of talent and teamwork which was illustrated by the 1980-81 boys' basketball team. After a three year program, the hard work and determination finally paid off. Under the direction of Coach Glen Field, the Falcons captured the first sole championship in the school's history.

The Falcons came out roaring as they won their first thirteen games. They captured the S.E.M.C. Division IV title by romping against Seekonk on the final night with a record of 9 wins and 1 loss. The Falcons, seeded sixth in the state tourney, faced a very quick and talented team from Boston, Jeremiah Burke High School. Not being adjusted to the fast paced game, the Falcons suffered their fourth defeat, but they had no reason to hide their heads after accomplishing the best record in the school history.

The Falcons were led by, not one person, but by any five players which were on the court. The team attitude was the biggest contributing factor to the success. Co-captain Scott Eaton, Ted Richmond, and Paul McCann all earned post season honors as they were named to the All-Conference Team. Congratulations to Coach Field and the team for one of the most exciting and successful seasons ever!

CHEERLEADING

With a division championship team and an overall outstanding 1980-81 basketball season, the cheerleaders sure did have a lot to cheer about. Led by senior co-captains Cathy Sherman and Karen Nichols, the girls worked hard and seemed to really pull it all together even though they lacked a coach. This work paid off and their work was greatly appreciated by team members and fans alike.

With the hlep of Diane Blackledge and Mrs. Field, the girls managed to get through those boring practices, coping with those sore throats and tired muscles once again. This was the third year together for Cathy and Karen. Although they will be missed next season, as they leave, new talent will move up in the ranks. Juniors Lori Descoteaux and Cindy Masciarelli will sure have their hands full next year with the remaining two juniors and six sophomores who made up the squad. Cathy and Karen wish them the best for next year.

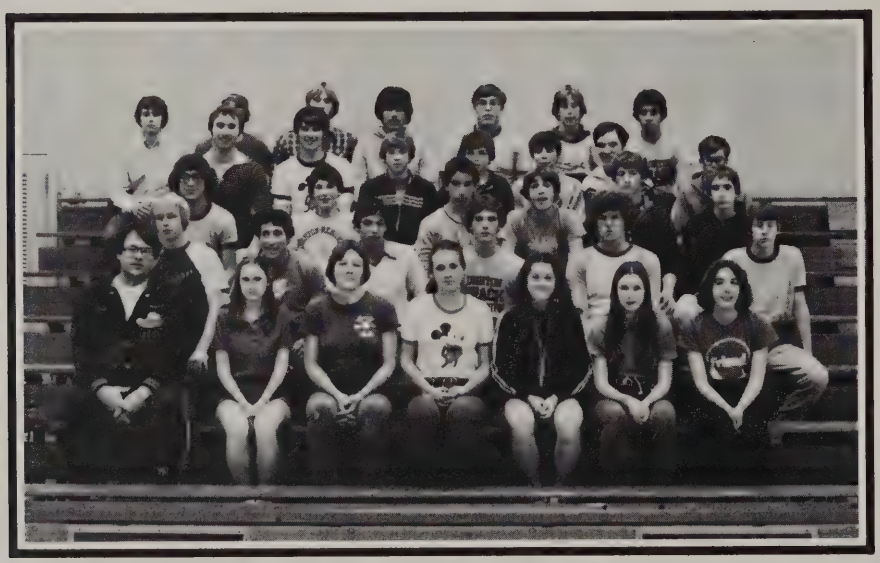
GYMNASTICS

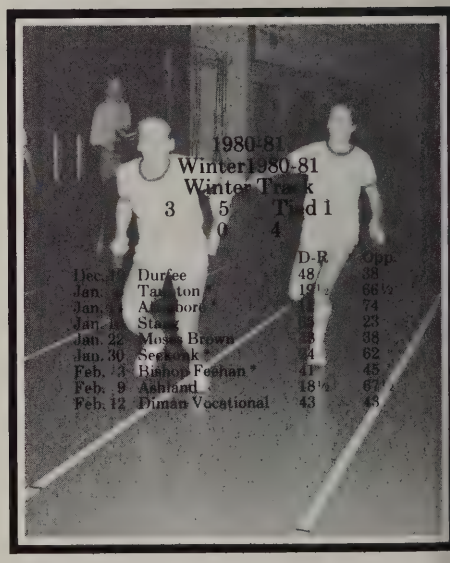
(bottom right) Left top: Helen Cordell, Cheryl Rivet, Lissa Olson, Liz Day, Brett Stephenson. Left bottom: Cindy Quintal, Bonnie Grassie, Molly MacMaster, Virginia Hebert, Kathy Kelly, Barbara Goncalo, Jean Amaral.

Gymnastics was very exciting this season. Although the winning record was not that high, the team had loads of fun. Thanks to the coach, Helen Cordell, and assistant coach, Brett Stephenson, the team worked hard, attending practice at 7:30 — 10:00 each week night and every Saturday.

Each member of the team competed in one or more of the following events: floor, beam, bars, and vault. The top four scores on each event are marked and totaled. This year Lissa Olson, Jean Amaral, and Bonnie Grassie went all-around. Cindy Quintal did beam, vault, and floor. Jeanne Amaral did bars and floor, Michelle King did vault and floor, Kathy Kelly did beam and floor, and Ginny Hebert and Liz Day competed on the beam. Good luck to next year's team.

WINTER TRACK





Left top: Jim Holbrook, Andy Giller, Craig Rousseau, Mark Perry, Kevin Spratt, Ken Helgerson, Jon Krasner. Left top middle: Lance Leonard, Lance Latham, Chip Grassie, Rich McDonald, John Fagundes, Mike Humes, Steve Humes. Left middle: Kevin Perry, Doug Borkman, Adam Derechin, Greg Harrison, Carl Hjerpe, Jake Horton. Left bottom middle: John Shaw, Jeff McGlynn, Mark Moschella, Kevin Pickett, Brian Deblois, Steve Carpenter. Left bottom: Mr. Finley, Sandy Brechin, Karin Jecoy, Debbie Martin, Maryann Koss, Carol Keane, Beth Kutner.

The 1980-81 winter track team had a record of 3 wins, 5 losses, and 1 tie in a very tough division which included Taunton, Attleboro and Seekonk. Junior Mark Moschella and senior Karin Jecoy were the stars of the squad. Mark set record after record in the 300 and Karin piled up points in the high jump, shot putt, hurdles and sprints. Leon LaFrance set a new school record in the high hurdles by breaking seven seconds. Juniors Greg Harrison, Jeff McGlynn, Brian DeBlois, Debbie Martin, and seniors Craig Rousseau and Tim Conaty also contributed to the success of the team by adding much needed points. Without the fine coaching of Lynn Finley though, the winter track team could not have been at all successful. Everyone associated with winter track would like to thank Mr. Finley for his interest and involvement in the program and we wish him good luck at his new job.

Left top: Mr. Gaffney, John Pappas, Carl Crane, Dave Guirk, Paul Anghunetti, Chris Ripley, Bob Hanson, Jerry Corrao, Jim Duncan, Ray Denoche, Mr. Labonte. Left middle: Neil Horton, Jeff Thompson, Joe Chaves, Tim Green, Mark Pimento. Left bottom: Doug Dupont, Steve Grota, Howie Inman, Bill Quactrucci, Dave Schreiner, Steve Quigley, Al Collins.

The 1980-81 Dighton-Rehoboth Varsity Hockey team underwent a season of ups and downs. It seemed the moments of victory were often followed by days of frustration. One thing for certain 5 am practices were times to behold by all.

C. J. Crane was no doubt the highlight of the Falcon troops as he time and time again tickled the twine of the oppositions net. C. J. goes down on the pages of D-R hockey history as one of its few super stars.

Others who added to the green and gold attack were: Paul Anghinetti, a junior center; Jim Duncan a senior wing and Al Collins, a freshman forward.

Steve Quigley did the majority of the goal tending and with limited experience, turned in a good performance. He received constant help from defense standout Jeff Thompson.

The economic problems of the area have cast a cloud over the future of hockey in Southeastern New England, but with a solid group of underclass lettermen and community support the future of the Falcons can be seen as bright.

MATH LEAGUE

Left top: Scott Eaton, Steve Goudreau, Craig Morton, Karl Hjerpe, Leon LaFrance. Left bottom: Terrie Weeks, Ken Viall, Tracy Faria, Judy Hogan.

During the 80-81 school year the D-R Math Team enjoyed only mediocre success. As one of 20 teams competing in both the S.M.C. and S.E.M. Math Leagues, the D-R team finished in tenth and eleventh place respectively, thus failing to qualify for playoff competition for the first time in 12 years.

The year was not completely devoid of bright spots however, as senior team member Scott Eaton was chosen as a member of the Western Massachusetts All-Star Math Team. The future also seems bright for the D-R Math Team, as evidenced by the performance of two sophomore team members, Karl Hjerpe and Brian Goudreau, who finished the year as the first and fourth highest scorers on this year's team.

Although the Golf team's overall record dipped below .500 for the first time since 1974, it is in no way an accurate measure of the dedication and enthusiasm that the team gave of themselves this year. With all of this year's team returning next year, our 1982 goal is the division championship. Continued strong performances by Capt. Jim Dutra, Jon Doyle, Kevin Gaudreau, Ken Mullert, Todd Drowne, Jim Holbrook, Adam Latham, and Scott Levesque will make our 1982 goal very attainable.

The 1981 D-R baseball team had a very successful season, finishing with an overall record of 15-7, 11-3 in the league. Brian Nichols and Ted Richmond did the pitching in every game. Their pitching and an ever-improving defense led the Falcons to a state tournament bid and the co-championship of Division 2. After a shaky start, Coach Cuthbertson's team began to click. By beating Bishop Stang 14-2, D-R won a share of the championship. In the tournament, the Falcons defeated Bourne 7 to 5. With the bases loaded in the 9th inning, Ted Richmond struck out his tenth batter to preserve the victory. Top seeded East Boston was the next foe and the Falcons lost a heartbreaker in the tenth inning, 3 to 2. Captains Scott Santos, Ted Richmond, and Lance Latham along with seniors Carl Terry, Steve Quigley, Mark Torres, and C.J. Crane gave the leadership and experience necessary for such an outstanding season. They were on out away from winning it all.

This year's Girls' Softball team was directed by the rookie coach, Sue Waletkus. Although they could not enjoy a winning season the team put out a valent effort.

The team was lead by seniors Linda Ferreria, Rose Kishfy and Co-Captains Carol Withers and Sharon Lamb.

They ended the season with a 3-12 record. This record is not a good demonstration of the abilities of the 1980-81 softball team. The team was a possible threat to any team in the league.

The 1980-81 Girls' Tennis Team had a very successful season. Although the team's overall record was only 5 wins and 8 losses, the scores for all matches were very close (contrary to previous years).

Korinne Hess, a new addition, led the team in the first singles spot followed by Lisa Schreiner and Laurie Schreiner respectively. Captain Lisa Benoit and Holly Cole filled the first doubles slot with Sue Pearson and Cindy Masciarelli playing second. Everyone would like to thank Mrs. Diotte for her superb coaching and support.

The team looks forward to a very successful season next year with the return of Sally Gumrot (maybe still wearing her green bonnet).

Again this year, the boys' tennis team did not enjoy a winning season. The name of the game was improvement, and as a result, the team was quite competitive in every match. As in other sports, the backbone of the boys' tennis team was the class of 1981. Seniors included returning co-captains Ken Paradis and Brian Pierce. Also Frank Fassett and Dave Rodriques, who formed a strong doubles team. In mid-season, the team picked up seniors Dave O'Connell and Luke Travis due to an injury to lone freshman, Knight Hess. Paul Anghinetti, a newcomer, and Bob Hanson, a two year veteran, gave a strong showing in the singles department.

Next year, reconstruction will be underway with the help of two veteran members, Joe LaValle and Bob Hanson.

SPRING TRACK

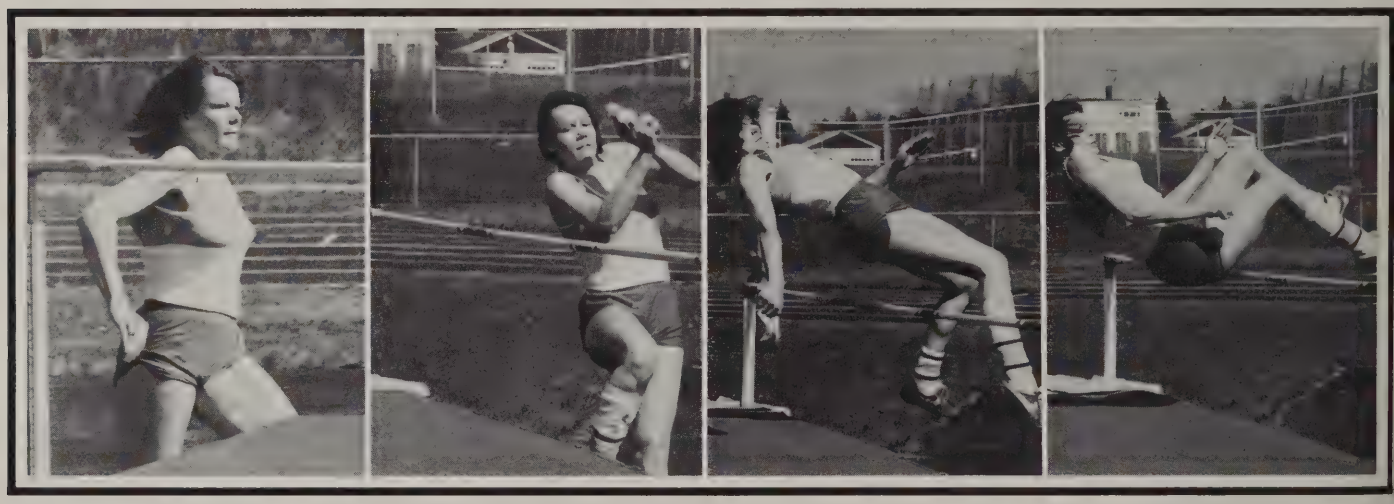
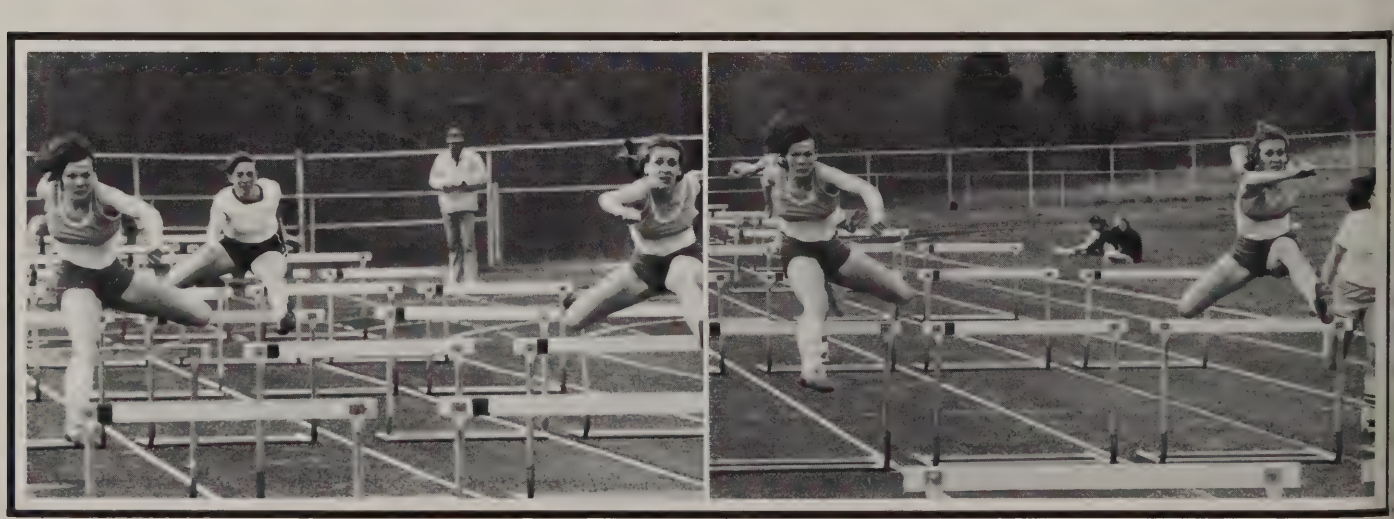
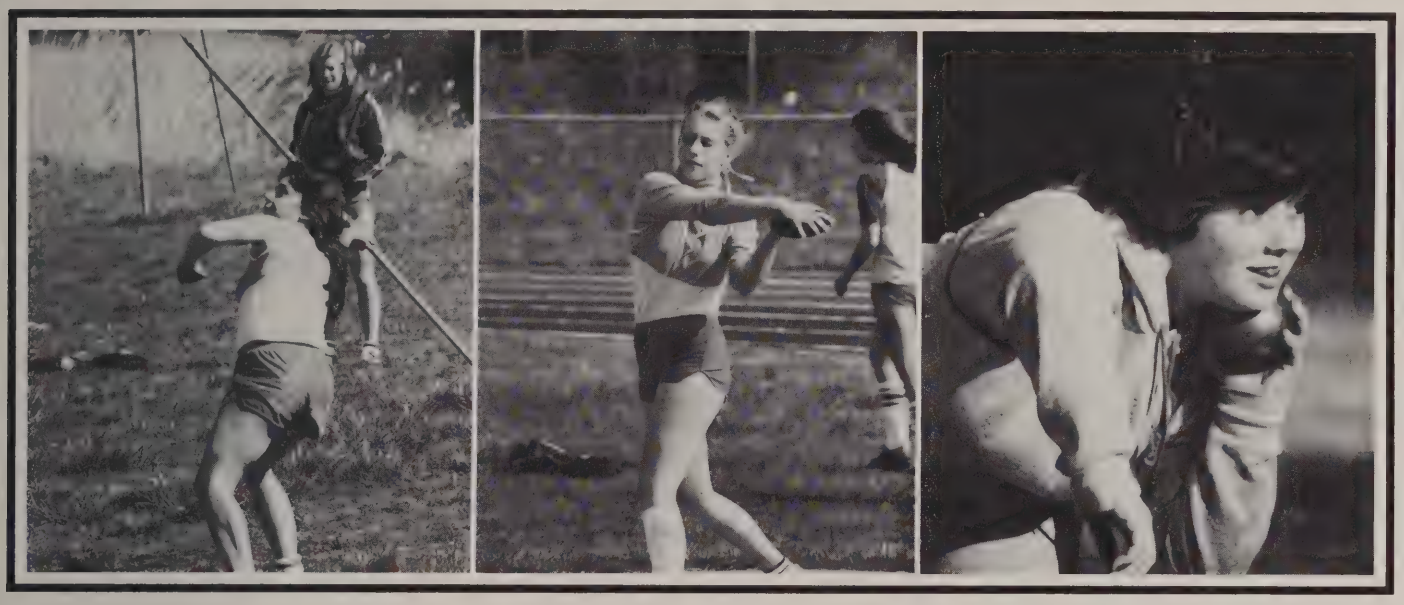
Top left: D. Nyzio, S. Spring, D. McKim, H. Potter, C. Sullivan, D. Martin, M. Koss, H. Moore, E. Gaudette, T. Souza. Left upper middle: M. Hunt, L. Givens, C. Creighton, C. Creighton, S. Small, T. Faria, D. Chartier, K. Horton, D. Hathaway. Left lower middle: C. Brady, K. Harrison, C. Bryden, L. Machado, M. Hunnibell, K. Kelly, J. Tessier, J. Leite. Left bottom: Miss Claypin, N. St. Vincent, B. Grassie, K. Jecoy, Miss Cody.







This year's girls' Spring Track team was fired with spirit and talent. It ended its season with a 3-4 record. School records broken were Donna Nyzio in the shot put, and the 4 x 110 relay team which consisted of Karin Jecoy, Debbie Martin, Kelly Horton, and Mary Ann Koss. The girls who qualified for states were Karin Jecoy and Debbie Martin in the high jump, Donna Nyzio and Sue Spring in the discus, and the 4 x 110 relay team of Karin Jecoy, Kelly Horton, Debbie Martin, and Mary Ann Koss.

Our coach Miss Cody, and assistant Miss Claypin were with us in defeat and victory. A fine season was had by all.

Horton, Coach Levesque.

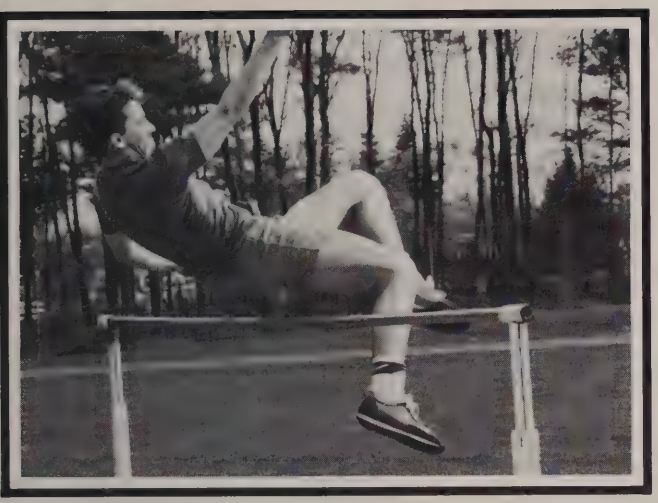
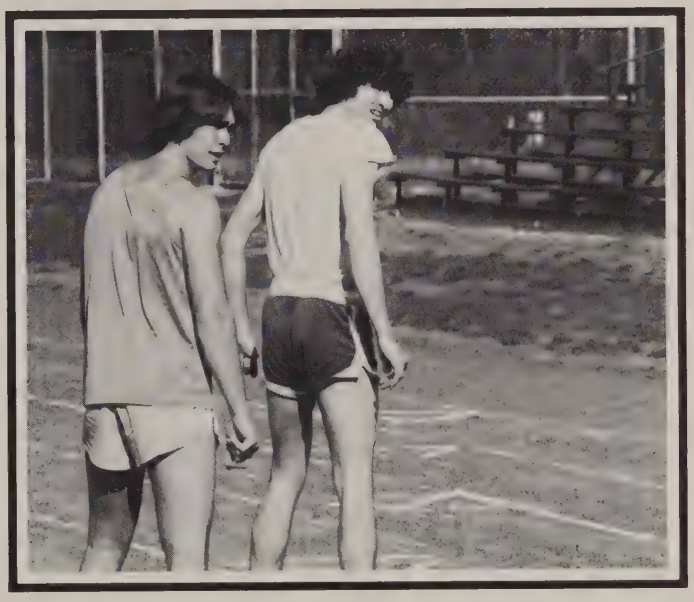
Once again the boys' Spring Track team made a respectable name to the area coaches. Under the direction of Head Coach David Marsden and new Assistant Coach George Levesque, the Falcons obtained a 4-2 record in division, capturing a second place tie.

The team was led by Stan Koss, who once again proved himself to be the best long jumper in the state, co-captain Mark Moschella, and Greg Noelte. Stan was always good for at least 17 points a meet while Mark, before injuring himself, contributed 13 points a meet and Greg a consistant 10 points. Many other participants, co-captains, Scott Eaton, Darryl Johnson, and Leon LeFrance, Kevin Perry, Kevin Pickett, Greg Harrison, Garrett Sharpe, John Shaw, Jeff McGlynn, Brian DeBlois, Keith Gobeille and David McGilivray, all contributed consistently every meet.

Highlights of the season included close victories over Seekonk (74-71) and Bishop Feehan (73-72). One of the more enjoyable aspects of the season was the countless number of personal records established every meet.

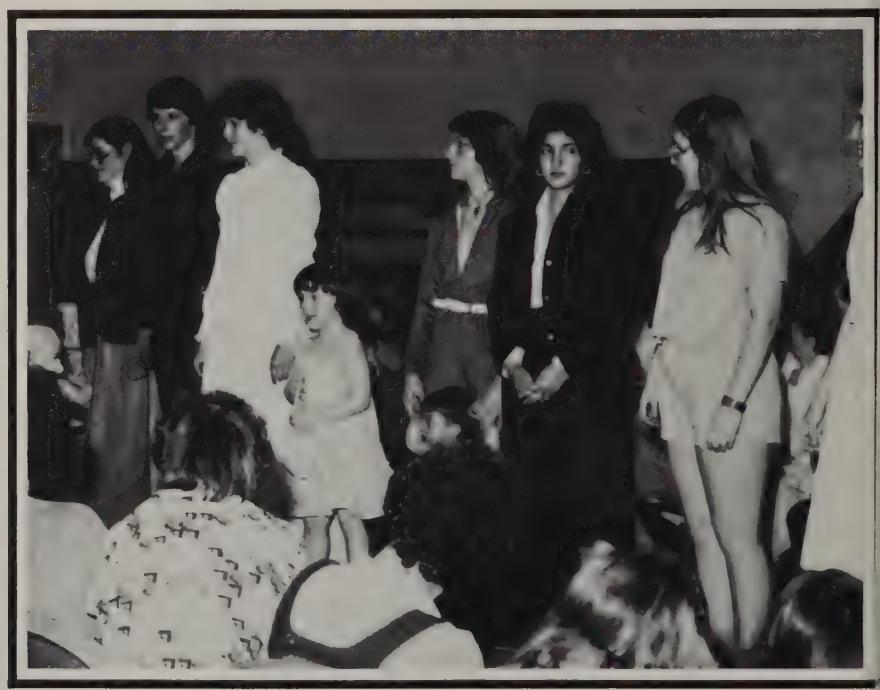


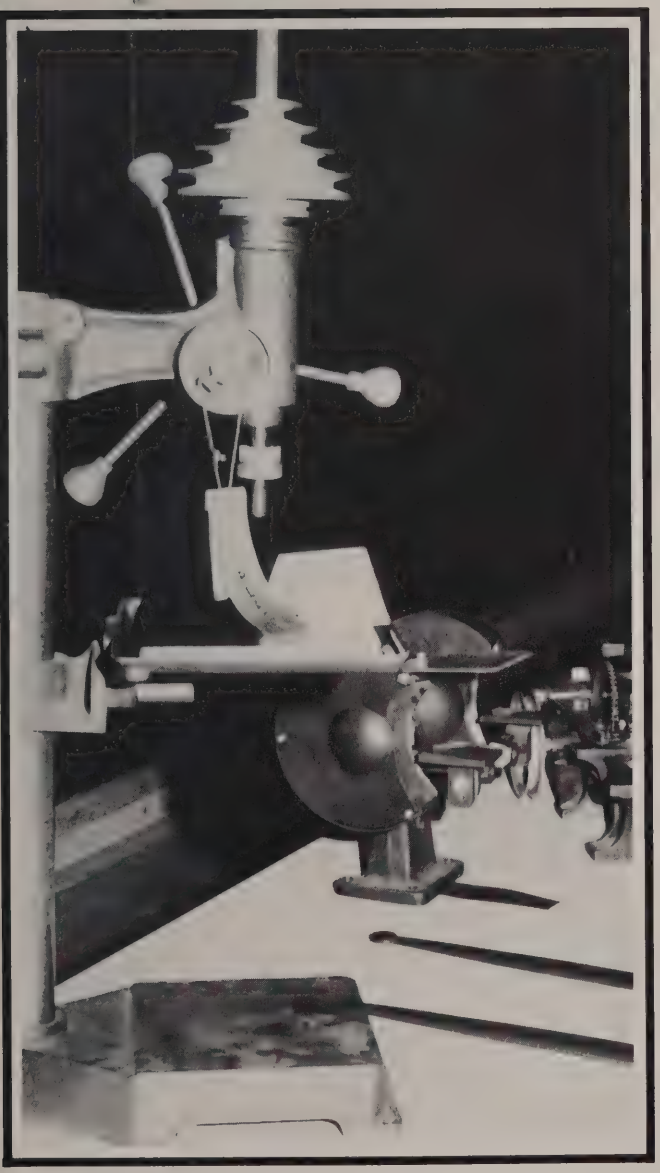


EEKONK

1981 ART EXHIBITION

The 1981 annual fashion show was held on May 15 in conjunction with the Art Show. Models wore garments made in clothing classes throughout the year. Seniors in this year's show included: Diane Gustafson, and her niece Danielle each wearing suits made by Diane, Kim Jones wearing her pants and her nephew Jarad wearing a romper, and Nancy McGillvray wearing her senior prom gown.

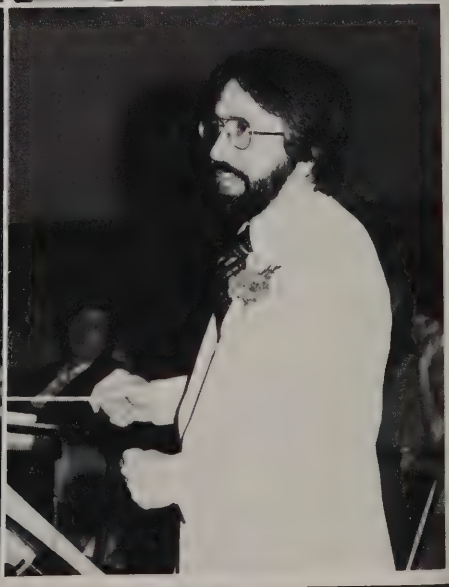




Senior Industrial Arts students Brian Viera and James Thornley exhibited casting and machine shop projects at the annual Arts Show. Vocational seniors exhibiting were Donald Violette who built a large milling vise and Carl Giroux who made a sine bar along with a set of tool-makers clamps.

The Art department reached its pinnacle this spring, when the D-R artists held their annual art exhibition. On display were a wide range of paintings, drawings, prints and ceramic pieces. The judging of the over 600 works was difficult, to say the least, for the two professionals who volunteered to select the more worthy. Parents and alike seemed impressed by the evenings visual displays.

Although the D-R band and chorus were still the major performing ensembles at this year's spring concert, more emphasis was placed on giving individual students an opportunity to perform in either a solo situation or in a small select ensemble. The concert was entitled "Spring Cabaret", and was held on Friday evening, May 15th, before a packed D-R auditorium. This was a first attempt at a production of this nature by the D-R music faculty and students and was extremely well received by the townspeople of Dighton and Rehoboth.



The Class of 1981 expresses their deepest sorrow in the passing of our former classmate, Luke Williams. Though taken away he will continue to live in the memories of his friends and loved ones.

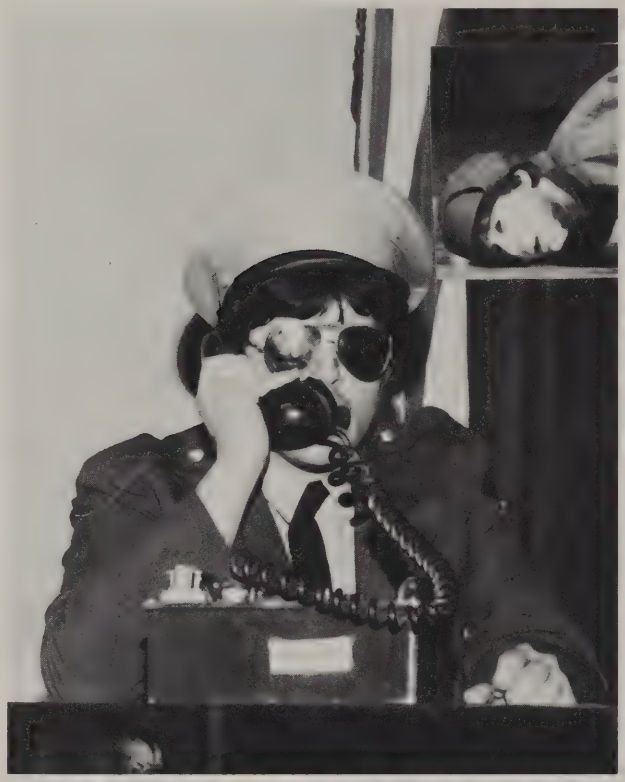
AWARDS DAY

M*A*S*H



On May 1 and 2, the curtain opened once again on the annual Senior Class Play. This year's play, M*A*S*H, called for the largest cast of any Senior Class Play. M*A*S*H was hailed by many as D-R's finest play.

Veteran actors Syl Amaral, Anne Foley, Dave O'Connel, Hillary Waterman, Corey Araujo, Bryan Blanchette, George Creighton, and Carol Withers made their last appearance in a drama production at D-R. Their performances, of course, were professional.

Making their debuts in M*A*S*H* were: Jim Almeida, Judy Hogan, Bob Nicholson, Jessica Horton, Ed Robbins, Dave Gallant, Lance Latham, Craig Rousseau, Ken Paradis, John Shaw, Lisa Shaw, Karin Jecoy, Amy Coble, Melissa Hunnibell, Kathy Machado, Brenda Gracia, Liz Pereira, Dale Derlien, Leon LaFrance, Sue St. Jean, Ann Vandenbyvang, Dave Harney and Luke Travis.

The production was efficiently stage managed by Tim Conaty and Kathy Machado.
